Headteacher: Mr Gerry Heaton

15th June 2016

Dear Parents and Carers,

Section 5 Ofsted Inspection 19th and 20th May 2016

It is with enormous pleasure that we can now share with you the results of our recent inspection. It was a very thorough process which scrutinised all areas, systems and practices within the school.

We are thrilled that the inspectors agreed with our own self-evaluations and we were graded as **'good'** in **all categories** with our Foundation Stage, Leadership and Management and our caring ethos coming out as particular strengths; *"The school is highly inclusive and has very caring values. It is proud of its role as part of the local community."*

The comments of the inspectors and the report reflect the huge journey the school has undertaken since our last inspection in January 2014 and we are very grateful for the incredible hard work and achievements of the entire school staff and the children and also for the continuing positivity and support of you, our parents and carers.

This was evident to the inspector through the results of Parent View, the letters they received and through discussions in the playground; *"Parents are overwhelmingly positive about the school and are quick to note the improvements made since the date of the previous inspection."*

We are also pleased that the four key areas for improvement which would take us to outstanding had already been identified by the school and we are already working on them.

Best wishes,

Headteacher
